

Dear Parents/Carers

In line with the most recent DFE guidance, we are preparing to welcome all children back to school from September 2020.

We will be carefully following government guidance to ensure that we put into place proportionate protective measures for children and staff; enabling us to effectively manage risk and minimise the number of contacts that a pupil has during the school day, whilst ensuring that all pupils receive a high quality education that enables them to thrive and progress.

Please continue to check our website and parentmail for future updates.

Teachers are continuing to host remote learning sessions using Google Meets for those children unable to come into school and are also setting fun activities that you can do at home with your child on Evidence for Learning. Please continue to add your own photos and videos - it is great to see our pupils looking well and having fun! If you have problems accessing either of these please email the school.

If you would like to contact with the school please email the office at:

office@limeacademyravensbourne.london

You can also email Julie Cook, our Family Support Worker at: julie.cook@hornbeamacademytrust.com
